

Read, Color, and Craft with author Courtney Owen

A story time built around the Pocket Hug books: a read-aloud, a coloring page, and a pocket hug craft every child takes home. For preschool through early elementary.

What a session includes

A read-aloud of *Lola's Pocket Hug*, *Nolan's Pocket Hug*, or *Carving Her Own Trail*. Two or three talk-about-it questions. Character coloring pages. A pocket hug craft: every child colors and cuts out a tiny heart and tucks it in a pocket before they leave. Books available to purchase and sign.

The books
